### DESCRIPTION

Forming part of a three car collection owned by renowned XK restorer and subject matter expert; James Sidwell of Sidwell & Co. This particular car is an original right hand drive XK140 Drop Head Coupe. Finished in British Racing Green with green leather interior, the car has been meticulously restored by Sidwell & Co. and has covered virtually no mileage since. This is quite probably the best XK140 available for sale currently. The car is a “matching numbers” vehicle and is finished in a wonderful colour combination. The car has some choice upgrades which make the car just that little more suitable to modern roads, without taking away any of the essence of the XK140 – a high torque starter, dynator and front disc brakes with servo as well as halogen headlights.
