Exterior Colour	Balmoral Green

DESCRIPTION

One of 150 launched in January 2018 as a low-volume, high performance birthday special to mark Land Rover's 70th Anniversary. It has a naturally aspirated 5.0-litre V8 which delivers 405 Ps and 515 Nm of torque. Acceleration from 0-60 mph is accomplished in 5.6 seconds and it has a top speed of 106 mph. The V8 powertrain is complimented by an advance ZF 8-speed automatic gearbox with sport mode and quickshift response, completing each gear change in 200 milliseconds. The dual-speed transfer box with automatic torque biasing centre differential, shifts up to 90% of torque to the front or rear axle as required. A reconfigured suspension features improved springs and dampers. The all-new 18 inch diamond-turned Sawtooth alloy wheels, all terrain tyres and upgraded brakes provide additional driving confidence.. This WORKS V8 has been painted in a one-off special paint finish of Balmoral Green with a Bottle Green interior on the vendor's request at an additional cost of £21,000. No other WORKS V8 has this colour combination from the factory, making this example even more desirable. Each of the left-hand drive WORKS V8s sold for the European continent passed through our hands as a subsidiary of JLR UK and was checked again, test driven and, with the help of the TÜV, equipped with new German vehicle documents and a day registration after a full inspection. A collector's item from the factory. Sold on behalf of vendor. Price excludes local taxes which may apply.
