DESCRIPTION

The Land Rover Reborn programme was launched in 2016 by Jaguar Land Rover, initially as a run of 25 factory restored vehicles. This vehicle, Reborn Car 25, was the last of the planned run, although demand was sufficiently high that further vehicles were added to the programme, albeit the order-book has long-since closed. Completed by Land Rover Classic in early 2019 this car is a 1950-specification "lights-behind-the-grille" version of the 80" Series 1 Land Rover. The customer that commissioned the vehicle requested a few special additions, namely tan leather seats, additional rear bench seating, a cabin heater and a set of rubber mats to protect the painted floors. Having seen very little use since completion the Land Rover is in as-built condition this is rare-opportunity to buy an early Land Rover restored by the original manufacturer. The vehicle has been inspected by our own workshop here at Land Rover Classic and will be sold with 12 months warranty for its luck new owner.
