DESCRIPTION

Honouring the original Defender's formidable 70-year expedition legacy and its illustrious role in the world's most demanding all-terrain competitions, Land Rover Classic introduced the Classic Defender Works V8 Trophy in 2021. Featuring a 5.0 litre petrol V8 engine and eight-speed ZF automatic transmission, Defender Works V8 Trophy delivers 405Ps and 515Nm of torque. Heavy-duty 16-inch steel wheels in Eastnor Yellow are complemented with upgraded brakes, suspension, and handling kit for additional driving confidence. The silhouette says it all. Defender Works V8 Trophy has the accessories and attributes to take on the journey of a lifetime. This includes multi-point roll cage and ladder, mud-terrain tyres, spotlights, raised-air intake, vehicle winch and under-body protection as standard. The cabin's superbly finished surroundings feature a full Black Windsor leather interior with contrasting yellow stitching. Recaro sports seats deliver exemplary levels of comfort and control. This particular car is the second car of the twenty-five car production run. Just five right-hand drive 110's were built, making this an extremely rare opportunity to own a car from a limited edition series that sold out within days of its initial launch. Based on a 2015 donor car, this vehicle has covered less than a hundred miles since conversion. This vehicle is VAT Qualifying, the price shown includes VAT.

LOCATION

Jaguar Land Rover Classic - United Kingdom

Classic Works, Imperial Road, Ryton-on-Dunsmore, Coventry, CV8 3LF
