Description

Described by Enzo Ferrari as the most beautiful car ever made; the Jaguar E-type embodied the glamour and excitement of the swinging 60's. Nearly 60 years on, the Jaguar E-type Reborn programme was launched here at Classic Works and saw Series 1 E-types restored to their original specification for future generations of enthusiasts and collectors to purchase. This 4.2 litre E-type finished in Opalescent Dark Blue with Maroon Luxan Grain Leather interior, was the 24th E-type to be built as part of the E-type Reborn Programme. Complete with Suspension Upgrade Kit, Four Pot Upgraded Brake Kit, Tubular Exhaust System, Two Exterior Mirrors, Upgraded Radio and Air Conditioning Kit, this E-type is a pleasure to drive, whatever the journey. Delivered to its first customer in the Spring of 2019, it returns to Classic Works having only completed a little over 1300 miles and is available for collection today.
