Description

A rare opportunity to acquire one of the 150 vehicles launched in January 2018 as a high performance birthday special, with naturally aspirated 5.0-litre V8 engine and 8 speed automatic transmission, to mark Land Rover's 70th Anniversary. This particular version, a 110 in right hand drive, is finished in the rare and striking Indus Silver with Ebony and Ivory full leather interior. With performance in the region of 0-60 mph in 5.6 seconds, naturally the brakes, suspension and wheels are similarly all new and significantly upgraded. With very low mileage recorded since conversion, by its 1 and only enthusiastic Land Rover collector owner, this is certainly a particularly attractive and desirable example.
