### Description

An opportunity to acquire one of the 150 vehicles launched in January 2018 as a high performance birthday special with the 403PS 5.0-litre V8 engine and 8 speed automatic transmission, to mark Land Rover's 70th Anniversary. This 110 version in right hand drive, is finished in Santorini Black with an all Ebony full leather interior. With performance in the region of 0-60 mph in 5.6 seconds, naturally the brakes, suspension and wheels are similarly all new and significantly upgraded. Its 1 and only enthusiastic Land Rover collector owner completed very few miles which makes this a very desirable example.
