Description

This 1958 model Land Rover 88" began life as a rare 4x2 model for the military. When released from the military four wheel drive was added and the vehicle lead a relatively charmed life. A full and professional restoration was carried out in 2015 by its previous keeper. This is a superb example of a later Land Rover Series One that is ready to enjoy.

Jaguar Land Rover Classic UVL

Classic Works, Imperial Road, Ryton-on-Dunsmore, United Kingdom, CV8 3LF
