Description

This Defender 110 4 Door Pick Up is from the final year of Defender production. It was retained by Jaguar Land Rover and has been part of its own-use fleet and has covered a little over one thousand miles from new having been first registered in late 2016. Finished in Aintree Green, with part-leather upholstery, the vehicle is the popular XS Specification. Features include air conditioning, heated seats, heated windscreen, 16" Boost alloy wheels and specific to this vehicle, genuine Land Rover seat covers.
