### Description

This 2015 Defender 90 started life as an Aintree Green 90 Station Wagon. Land Rover Classic has converted the vehicle to feature a canvas "Bikini" top, making it ideal for summer trips to the beach! The car has been fully repainted in 1950's-era Bronze Green as a nod to the Series 1 Land Rover. The original wheels have been replaced with colour-matched steel wheels and the exterior is completed with a "Heritage" grille. The interior has been retrimmed in a striking leather and tweed combination and the front seats are heated. This stunning vehicle has covered zero mileage since its conversion.
