Colour	White
Engine Size	2.2 l
Interior Trim	Black
Fuel Consumption	N/A

## Description

The Land Rover Works Trophy celebrates the rich past of off road expedition and adventure. For this year's Trophy II event at the Consall Estate in Staffordshire, and after the popularity of the pick-up created for the original Trophy Event at Eastnor, we decided to create another special Support vehicle. This time, we acquired a left-hand drive High-Capacity pick-up in superb condition from Italy. We added 18" Sawtooth alloy wheels, a satin-black painted bonnet, winch and A-bar, LED Headlights and of course the all-important Trophy II camo-wrap. The car took part in many stages of this year's Trophy II event alongside it's Trophy I stablemate, and was equally as popular with the other competitors. VAT Qualifying, price includes VAT. For more information please contact a member of the Classic Sales Team.
