Description

Finished in Metallic Yulong White with full Ebony Leather Premium seats this 90 Landmark has covered a mere six thousand miles. Despite already having a high factory specification, the last owner chose to further upgrade the vehicle with a Land Rover Classic Works Upgrade package. The package consists of 18" Sawtooth alloy wheels, revised springs, dampers and anti-roll bars, uprated brake discs, pads and calipers as well as an increase in power to 150PS and the unique Works badging on the wings. This car has been maintained by Land Rover Works over the last few years and is now available for its next custodian to enjoy. Supplied with 12 months warranty and breakdown cover.
