Description

This Defender 90 Pick-up is finished in the rare factory colour of Havana. Unusually high specification for a Pick-up, the vehicle has air conditioning, heated windscreen and heated seats. Further upgrades include Ebony leather Recaro seats, 16" Sawtooth alloy wheels in black, side steps, chequer-plate body protection, roll-over bar, lamp guards, raised air intake and additional driving lights. The vehicle is in outstanding condition, having covered a mere two thousand miles. Having just been prepared by Land Rover's own Classic workshop, the car is now ready for sale and will come supplied with 12 months warranty and 12 months breakdown cover.
