DESCRIPTION

We offer you one of the coveted Series 1 OTS (Open Two Seater) with a 4.2-litre engine in absolute concours condition.Restored to the highest standard with matching numbers.The chassis number, engine number, and gearbox number exactly match the verified Heritage certificate. Whether as an investment, a reliable classic to drive yourself, or as a century design object that you simply want to own.This E-Type was born on June 2, 1967, and was then shipped to New York, USA. America had no serious sports cars of its own, loved the E-Type, and had the money. Almost 70% of the left-hand drive E-Types were sold in the USA, especially the roadsters (OTS).The E-Type 4.2 litre, built from August 1964, was equipped with a new engine with a larger displacement, a new improved braking system, the new fully synchronised JAGUAR manual gearbox, which replaced the Moss box, new larger seats, and a slightly modified cockpit.In 2022, we found this E-Type in good condition and un-restored, with a mileage of 29,489 miles.
