DESCRIPTION

The new F PACE SVR is available exclusively with Jaguar’s 550PS 5.0 litre V8 Supercharged petrol engine, now with 700Nm torque – an increase of 20Nm. This uplift in torque delivers enhanced performance, with the F PACE SVR capable of 0 60mph in 3.8 seconds (0 100km/h in 4.0 seconds), three tenths of a second faster than before, and a top speed of 178mph (286km/h), an increase of 2mph. The powertrain now features the same torque converter used in the record breaking Jaguar XE SV Project 8 sedan, to withstand the higher loads produced. The 5.0 litre V8 Supercharged petrol engine is paired with Jaguar’s ultra responsive, smooth shifting eight speed automatic transmission which delivers rapid gearshifts for effortless performance, while adapting the way power is delivered to suit the driving situations. This car has been part of the JLR fleet from new, and has covered just over 18,000 miles. It is finished in Santorini Black with Ebony leather Performance seats. The vehicle has been part of the JLR fleet from new and is now available to purchase, directly from Jaguar Classic. The car comes with the balance of the Jaguar three-year warranty (until January 2027).
