DESCRIPTION

A rare Defender LXV in exceptional condition, with low mileage and the sought-after Works Upgrade Kit.Created to celebrate Land Rover's 65th anniversary, the LXV (Roman numerals for 65) was produced in a strictly limited run of just 605 vehicles worldwide, with only 130 delivered to Germany. This example is presented in a highly attractive colour combination with carefully selected equipment.Factory specification includes ABS/ETC/DSC stability programme, air conditioning, central locking, electric windows and premium leather seats.Exclusively upgraded by Land Rover Classic Essen, the Works Upgrade Kit features 18-inch Saw Tooth LM wheels, Alcon braking system, Bilstein shock absorbers, Eibach springs and TÜV registration carried out by Land Rover Classic Essen.With its unmistakable design, legendary off-road capability and uncompromising durability, the LXV has achieved cult status and is regarded as a true collector's item. This particular vehicle has always been meticulously maintained and treated with care. The underbody has been ice-blasted, resealed with protective wax and a fresh inspection has been completed.Now fully prepared, serviced and ready to be enjoyed - the genuine "go-anywhere" vehicle, and a rare collector's piece direct from the factory.
