DESCRIPTION

The Jaguar F TYPE looks as dramatic as ever and is the definitive Jaguar sports car in a rich bloodline going back 75 years. The powerful proportions of the front engine two seater – with its body structure sculpted from light, stiff aluminium – are instantly recognisable, and the focused and assertive presence references the flowing forms from Jaguar’s rich sports car heritage, which began with the XK120 – launched in 1948 as the world’s fastest production car. Celebrating the final Model Year of the F-type and also 75 years of Jaguar sports cars in 2023, the 75 Special Editions feature 20 inch wheels and unique badging. This particular vehicle is the F-type R 75 coupe, featuring the 575 PS 5.0 V8 engine. Finished in Carpathian Grey premium metallic paint with Tan Windsor leather interior the car has covered less than eight thousand miles. The vehicle has been retained by JLR from new and is now available to purchase, directly from Jaguar Classic. The car will be supplied with 12 months warranty and roadside assistance.
