DESCRIPTION

DEFENDER 90 STATION from the final production years A very fine CLASSIC DEFENDER from the final 2014 model year, featuring a very comprehensive specification and a classic colour scheme. This DEFENDER has been expertly dismantled, repaired, completely repainted in CLASSIC Balmoral Green with the roof and steel rims in matching Limestone, and further refined. The underbody and chassis have also been cleaned and refurbished. Delivered new to sunny and dry Italy, an ideal base for refining a corrosion-free example. Specifications: ABS / ETC, air conditioning, central locking, electric front windows, LED headlights, leather interior, velour headlining, roll bars, roof rack, 16-inch Wolf steel rims. With its distinctive design, world-renowned off-road capability and unshakeable robustness, it is a true collector's item and enjoys cult status. It is precisely because it is different that it has such a large fan base. The true 'go-anywhere vehicle'.
