### DESCRIPTION

Production of the “original” Defender ended on 29th January 2016. This particular car was built on 14th December 2015, just over 6 weeks before the final car left the production line. Finished in Corris grey this “top of the range” 90 XS Station wagon has covered less than eighteen thousand miles from new. The vehicle features a number of Bowler upgrades including front bumper and towing eyes, side sills, rear bumper and 18” Bowler lightweight wheels. Inside the Defender is fitted with a smaller MOMO steering wheel. Prepared for sale by Land Rover classic’s workshop, the vehicle comes with 12 months unlimited warranty and 12 months breakdown cover.
