SVR

KR73RYU

£59,950

2023	6005mi	Eiger Grey
Ebony	Automatic	5.L Petrol

DESCRIPTION

When launched the F PACE SVR was available exclusively with Jaguar's 550PS 5.0 litre V8 Supercharged petrol engine, with 700Nm torque – an increase of 20Nm. This uplift in torque delivers enhanced performance, with the F PACE SVR capable of 0-60mph in 3.8 seconds (0 100km/h in 4.0 seconds), three tenths of a second faster than before, and a top speed of 178mph (286km/h), an increase of 2mph. The powertrain now features the same torque converter used in the record breaking Jaguar XE SV Project 8 sedan, to withstand the higher loads produced. The 5.0 litre V8 Supercharged petrol engine is paired with Jaguar's ultra-responsive, smooth shifting eight speed automatic transmission which delivers rapid gearshifts for effortless performance, while adapting the way power is delivered to suit the driving situations.This car has been part of the JLR fleet from new, and has covered just over 6,000 miles. It is finished in Eiger Grey with Ebony Performance seats. The vehicle is available to purchase, directly from Jaguar Classic. The car comes with 12 months warranty and roadside assistance.
